Belief Statement:
The Brant Haldimand Norfolk Catholic District School Board (BHNCDSB) recognizes that parents, guardians, caregivers, schools and communities may choose to engage in fundraising activities undertaken by schools to support students, the Board and the wider community. The Board believes that fundraising activities must be complementary to Catholic education, voluntary, safe, accountable and transparent. The Board is supportive of fundraising activities that increase student engagement, support Catholic values and promote a sense of philanthropy, awareness and understanding, while building strong partnerships.

Policy Statement:
The BHNCDSB supports fundraising activities undertaken by schools through Catholic School Advisory Councils, parents, students and/or staff. The Board recognizes that from time to time, other groups may engage in fundraising on behalf of the school. All fundraising activities, whether for a school or for an approved organization, shall be related to charitable, humanitarian, educational or services/activities that are in keeping with the Board’s mission/vision, values and strategic directions.

   • Fundraising will reflect the purposes and the principles of public education, including equity, diversity and accessibility.
   • Fundraising will support student achievement, will not detract from the learning environment and will not provide undue burden on staff, students or their families.
   • Fundraising will not replace public funding for education and may not be used to support items that are funded through provincial grants, such as classroom learning materials and textbooks, facility repairs, maintenance or upgrades.
   • Fundraising will not support capital projects that will result in an increase in the student capacity of a school or significantly increase capital or operating costs.
   • Fundraising may be used to support humanitarian causes that can increase student understanding, empathy and activism in helping to address local, national and international issues.
   • Fundraising shall not be used to support political parties.
   • Fundraising must be ethical and legal.

   • Students participating in fundraising activities will not be held responsible for any loss that may be incurred by the project.
   • The principal shall ensure that there is fair and equitable distribution of major fundraising proceeds for the direct benefit of all pupils. Monies raised in a given school year are to be utilized, whenever possible, in that same school year.
   • Principals shall advise their Family of Schools Superintendent if monies will not be utilized in the same school year and provide the Superintendent with the reason / purpose for not utilizing the money and the amount of money not utilized.

   - Fundraising by the local school community will reflect the diversity, values and priorities of the Board and the community.
   - Privacy will be respected. Personal information of staff, students or other individuals will not be shared for the purposes of fundraising without prior consent.

   - Where a family has more than one child in the same school, the number of children participating in any fundraising activity shall be a family decision.

3. **Provide a Safe Environment for Students, Staff and Volunteers**
   - The safety of students will be a primary consideration in all fundraising activities.
   - Student fundraising activities require supervision and should be age-appropriate.
   - Appropriate safeguards will be in place regarding the collection, deposit and recording of all fundraising proceeds, the use of funds and privacy matters of students, staff and volunteers.
   - Door-to-door canvassing by students in support of any fundraising project is not recommended by the Board. The Board discourages canvassing for fundraising in malls, plazas or similar public locations. If the principal wishes this type of fundraising to take place, written permission must be granted by Mall Management and students must be supervised, at all times, by the principal or adult designate.

4. **Be Accountable and Transparent**

   - Administrative expenses associated with the fundraising activity will be minimized.
   - All organizations in receipt of BHNCDSB fundraising proceeds must engage in legal and ethical practices.
