

Family and Community Communication – Confirmed Case of COVID-19 in School Community

February 23, 2021

Good Afternoon Assumption College School Families,

This is Allison Hayes, Principal of Assumption College School. I'm reaching out with an important message.

Today, the Brant County Health Unit confirmed an additional case of COVID-19 in our school community. Understandably, for privacy reasons, the identity of this individual will not be disclosed. This individual has been directed by the health unit to self-isolate.

Upon receiving this news, we immediately contacted the students and staff initially identified by public health as close contacts to this COVID-19 case. The individuals have been directed by the health unit to self-isolate. Over the next 24 to 48 hours, the Brant County Health Unit will be in direct contact via email with these individuals as they work through their contact tracing. The health unit will provide further direction and next steps to these individuals.

If further students or staff are impacted, the Brant County Health Unit will let us know as soon as possible.

Moving forward, all Assumption College School students and staff are asked to monitor their health. If symptoms consistent with COVID-19 develop, or you feel that you may have been exposed to COVID-19, please contact your primary health care provider as you may need to be tested.

Our school remains open to all individuals, not asked by Public Health to self-isolate. Brant Haldimand Norfolk Catholic District School Board custodians continue to complete their disinfecting of our school throughout the day and each evening.

The individual who tested positive, as well as all close contacts as determined by Public Health, must complete their isolation period and be able to pass the [COVID-19 Self-Assessment Tool](#) before returning to school.

If you have any questions, please visit the [Brant County Health Unit Website COVID-19 information page](#) you can reach out to us at the school.

Thank you.
