

Family and Community Communication – Confirmed Case of COVID-19 in School Community

March 9, 2021

Good Afternoon Families,

This is John McDermid, Principal of Holy Cross School. I'm reaching out with an important message.

Late yesterday, the Brant County Health Unit confirmed a case of COVID-19 in our school community. Understandably, for privacy reasons, the identity of this individual will not be disclosed. This individual has been directed by the health unit to self-isolate.

Please note: the Brant County Health Unit did NOT identify any close contacts within our school community to this COVID-19 case as the individual was not in contact with any other school community individual during their period of communicability.

As always, our students and staff are asked to monitor their health. If symptoms consistent with COVID-19 develop, or you feel that you may have been exposed to COVID-19, please contact your primary health care provider as you may need to be tested.

If you have any questions, please visit the [Brant County Health Unit Website COVID-19 information page](#) or you can reach out to us at the school.

Thank you.
