

## Washing Hands Social Narrative

Sometimes our hands get dirty.

When our hands are dirty, we wash them.

We also wash our hands before and after we eat.

It is important that we wash our hands so that we stay healthy.

Washing our hands also helps others stay healthy.

When we wash our hands, we turn on the water.

We wet our hands.

We put soap on our hands and rub them together.

Then we rinse our hands with the water.

We turn off the water

and we dry our hands.

We all need to remember to wash our hands so that we stay healthy.
